RESPUESTA:

En el **anexo** que se acompaña se recoge la información solicitada.

Los últimos datos publicados por el Servicio Público de Empleo Estatal (SEPE), correspondientes al mes de noviembre de 2017 arrojan una subida en el número de contratos registrados de un 4,28% sobre el mismo mes de 2016. La contratación indefinida experimenta un aumento interanual del 10,3% que contrasta con el incremento del 3,7% en la contratación temporal y se encadenan 46 meses de crecimiento ininterrumpido de la contratación indefinida.

Destaca la contratación estable entre los jóvenes menores de 25 años entre los que ha crecido un 20,8% en los once primeros meses de 2017, en relación con el mismo periodo del ejercicio anterior.

Los contratos indefinidos a tiempo completo han subido un 14% y es la modalidad contractual que experimenta un mayor crecimiento.

Sin embargo, el Gobierno es consciente de la necesidad de superar la dualidad entre trabajadores temporales e indefinidos y reducir la segmentación del mercado de trabajo. Por ello la Ministra de Empleo y Seguridad Social ha propuesto a los agentes sociales en la mesa constituida sobre calidad en el empleo las medidas siguientes para impulsar la contratación indefinida:

1. Reducir a tres las modalidades de contrato de trabajo (un contrato indefinido, un contrato “de protección creciente” y un contrato para la formación). Jornada de trabajo: tiempo completo/tiempo parcial.
2. Reforzar el principio de causalidad en la contratación temporal en el marco de la negociación colectiva y determinar el volumen de contratos de duración determinada, además de promocionar la contratación indefinida y la transformación de los contratos temporales en indefinidos.

3. Establecer desincentivos para las empresas que recurran en mayor medida a la contratación temporal y la rotación excesiva, mediante el incremento de cotizaciones sociales por desempleo que deban satisfacer (malus), a la vez que se establece un nuevo incentivo (bonus) en las cotizaciones de aquellas empresas que tengan un porcentaje mayor de contratos indefinidos, comparadas con otras de su mismo sector.
4. Reforzar las actuaciones de la Inspección de Trabajo y Seguridad Social en materia de fraude en la contratación, potenciando la transformación en indefinidos de contratos temporales sin causa, y revisar el régimen sancionador en la Ley de Infracciones y Sanciones en el Orden Social, en orden a aumentar las sanciones por fraude.
